MESSAGE

The School of Management Science (SMS), Lucknow is organizing the All India Seminar on Sources of Planet Energy, Environmental & Disaster Science (SPEEDS-2018): Climatic Disturbances & Its Global Impact, scheduled on Nov. 24-25, 2018 in association with The Institution of Engineers (I), UP State Centre Lucknow and Dr. A.P.J. Abdul Kalam Technical University, Uttar Pradesh, Lucknow.

Climate change needs our urgent attention on various focus related to awareness among the masses as well as we need to deal deforestation, increasing temperature, rising sea levels and sinking ground water levels besides other natural calamities which may bring troubles in due courses of time. It is needed to give a deep thought on development at the cost of nature.

I wish the seminar all success.
