MESSAGE

It gives me immense pleasure to know that the School of Management Sciences, Lucknow is organizing 5th International Seminar on “Sources of Planet Energy, Environmental & Disaster Science (SPEEDS-2019) : Impact of Non-Conventional Energy Resources”, on 07th and 08th February, 2020 in association with Dr. A.P.J. I hope that the conference will give an opportunity to all concerned, particularly young researchers and teachers to exchange views and fruitful discourse about the recent advances in the above mentioned area.

I am sure that the Souvenir being published on this occasion would provide useful information for the students, faculty members and other knowledge seekers.

I extend my best wishes to all the participants, delegates, teachers, students and faculty members for their endeavours.
