I am indeed happy to learn that the School of Management Sciences, Lucknow in association with Council of Science and Technology, Lucknow and UP Technical University, Lucknow is organizing an International Seminar on 'Sources on Planet Energy, Environmental and Disaster Science: Challenges and Strategies (SPEEDS-2014)' on 1st and 2nd November, 2014. The subject is of vital importance to our Nation. The Seminar will certainly help us to decide the future course of action.

I wish the Seminar all success.
