## MESSAGE

It is my immense pleasure to note that Uttar Pradesh State Centre of The Institution of Engineers (India) is organising an All India Seminar on "Planet Energy, Environment & Disaster Sciences (SPEEDS-2017)" under the aegis of Mechanical Engineering Division Board of the Institution during 09-10 December, 2017.

I am sure that the experts will discuss all aspects of energy systems for our planet earth and its impact on environment. The recommendations out of the deliberations will be useful for all stakeholders and policy makers.

I convey my hearty greetings to the organisers and wish the Seminar a grand success.
